33rd All Nations Cup 2015 National Championships for Purebred Arabian Horses

From 25th to 27th September we hold our event for Arabian Horses.

The Nations Cup Show is always a highlight in the worldwide Arabian Show Calendar. We cannot imagine Aachen without the All Nations Cup Show as a regularly established event.

We hope for record numbers of participating horses, nations and spectators and for a breathtaking event in general.

AWARD OF POINTS

From this year on there will be a decisive change in scoring on the occasion of the award of the All Nations Cup and the Breeders' Cup:

The points for the Nations Cup will be awarded **to the nation in which country the owner is residing** and no longer to the country where the horse is registered. Corresponding to this the Breeders' Cup points will be awarded **to that country where the breeder of a horse had his residence at time of foal's birth.**

GELDING CLASS

At this year we have also a gelding class with prize money at the All Nations Cup. You can see more information in the invitation.

SPONSORS

This event cannot take place on that large scale without the generous support and engaged involvement of our sponsors.

The honouring prices - like trophies, badges and blankets - for **the Class-Winners, the Gold Medal Winners (Champions), the Silver Medal Winners (Reserve-Champions) and the Bronze Medal Winners** will be handed over by the sponsors in order to honour their special engagement with popular success.

We would be very pleased if you could give us your support in the organization of the this year's All Nations Cup. The names of the sponsors will be announced inside the hall via microphone, in the catalogue and in the internet via live-stream.

ADVERTISEMENTS in the show catalogue

Technical requirements for the advert delivery are mentioned in the enclosed request form.

The printable documents must have been received until 17th August 2015 at the latest with email address indicated above.

LIVE-STREAM / VISITING-CARDS

Due to the great success in 2006 - 2014 this year's All Nations Cup Show will also be transmitted live via internet **worldwide**.

It was a special feature having the **visiting-cards** of some studfarms published at the live-stream so that each internet participant was able to reach the homepage of the respective studfarm on a special click; with this we had a worldwide advertising via the visiting-cards.

VIP-TABLES

Please do not forget to make reservations for VIP-tables in time as they will be booked-up quickly.

BOOTHS

In case you are interested in building up booths, please announce this intention while giving us the dimensions. We have to check whether there is enough space at the location. The resp. fee will be given by return.

Please pay attention to the fact that there needs to remain an emergency lane of at least 5 meters in width. So we have a central place for all booths. It is absolutely forbidden to have any kind of fire in and around the stables.

DELIVERY OF HORSES / PARKING

The earliest possible delivery of the participating horses is from Wednesday, 23rd September 2015 from 08.00 a.m. up to 08.00 p.m. at the very latest.

Due to changes on the complete show ground parking of trucks and cars on-site between the stables is no longer allowed.

Vehicles are only allowed to enter the show ground up to Thursday 24th September 2015 for horse delivery only. Afterwards no further access to the show ground possible.

You have to pay a deposit amount of 50,00 EUR at the entrance that will be reimbursed when leaving within 2 hours time.

In case of exceeding this time limit the amount will be kept, at the worst vehicles will be towed away.

Exhibitors will receive parking permissions for the big parking lot at the traffic circle at the Albert-Servais-Allee with separate information letter.

If booths have been pitched or if you have arranged any additional decoration, please pay attention that the exhibitor shall remove exhibits, dismantle the stand and restore the previous status of the exhibition space. Otherwise the costs for re-establishment will be charged to the exhibitor.

In case you are interested in placing an advert in the show catalogue, in publishing your stud farm logo via internet, in a reservation of a VIP-table or in any kind of sponsoring, please contact the VZAP-office in Seelze by email: info@vzap.org.

We are looking forward to meeting you in Aachen and hope for interesting days with the noble Arabian horses.

Yours sincerely

The Lady Harmsworth Blunt Memorial Trophy - Nations Cup –

Horses start for the nation where the owner has his citizenship by the closing date of entry (18th August 2015). In case of joint ownership with different nations the decision for one nation only should be mentioned on the entry form. The Nations Cup will be awarded to the nation whose entries score the highest number of points according to the following scale:

First place of a class	5 points		
Second place of a class	4 points	Gold Medal-Champion (Yearling, junior, senior)	6 points
Third place of a class	3 points	Silver Medal Winner (Reserve Champion) (yearling, junior, senior)	5 points
Fourth place of a class	2 points	Bronze Medal Winner (yearling, junior, senior)	4 points
for the remaining places	1 point		

Only the best result of every class for each participating nation will be noted. To determine the winning nation and the following positions the best five results for the classes plus the results from the championships of each country qualify.

All Nations Cup - Breeders' Trophy - The Ian Hedley Memorial Trophy -

This is a perpetual trophy donated by The Hon. Mrs. Mary Ann Wragg and Mrs. Annette Hedley, created in cooperation with the very well-known artist Mrs. Karen Kasper, USA.

The Hon. Mrs. Wragg and Mrs. Hedley, had the idea to honour not only the owners, but especially the breeders of the most successful horses. They would like to see recognition given to the country, which has bred the most prizewinners each year on the occasion of the Nations Cup show.

Points will be awarded to the horses as in the Nations Cup competition (see above scale), but will be given to the country where the breeder has his citizenship at time of birth of the resp. horse. In case of joint breedership with different nations the decision for one nation only should be mentioned on the entry form

Conditions of entry

All Purebred Arabians, who are in possession of an equine-passport are entitled to participate. Further they have to be registered in a WAHO accepted studbook at the closing date of entries. Horses entered have to be qualified for the participation.

Preliminary Classes

1a, 1b) fillies, yearlings	(born 2014)
2a, 2b) colts, yearlings	(born 2014)
3) fillies, 2 years old	(born 2013)
4) colts, 2 years old	(born 2013)
5) fillies, 3 years old	(born 2012)
6) colts, 3 years old	(born 2012)
7) mares, 4 - 6 years old	(born 2011-2009)
8) mares, 7 - 10 years old	(born 2008-2005)
9) mares, 11 years and older	(born 2004 and before)
10) stallions, 4 - 6 years old	(born 2011-2009)
11) stallions, 7 - 10 years old	(born 2008-2005)
12) stallions, 11 years and older	(born 2004 and before)

The age group will be fixed according to the 1st January of the year of birth.

Classes with more than 14 horses entered will be divided according to their age.

Classes with less than 3 horses entered will be combined with the next age group of the same sex.

Please note:

Yearling classes with entries of less than 14 horses will also divide according to their age.

Method of judging the classes

Six judges judge each class independently from one another and without catalogue according to the following criteria:

- a) type
- b) head
- c) neck
- d) body and topline
- e) legs
- f) movement

The underlying concept is the 20-point-system with half points. However, only 100 points of the marks (a – f) can be achieved. For this the individual judge's scores are added (max. 120 points) and converted to 100%, 120 points being equal to 100%. The resulting number will then be each judge's individual score.

The final score will be calculated by adding up the results (individual scores) of all the judges and dividing that total through the number of judges.

Rule for ties

The higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points in movement. Failing a decision on either of these, one judge chosen by ballot will name his preference. (This applies to the places 1-10 of each class.)

ANC-Gelding class (New!)

This class will only take place if at least 10 geldings have been entered.
Qualification of the geldings for the event 2015 is not necessary.

The Gelding Class resp. the Championship is sponsored with 9.000,00 EUR by AFE (Arabian Futurity Europe Group) and ETHA (European Trainers and Handlers Association).

The amount will be given as prize money as follows:

Gold-Champion:	4.000,00 EUR
Silver-Champion:	3.000,00 EUR
Bronze-Champion:	2.000,00 EUR

The geldings are judged in ranking method from 1st to 5th.

The first receives 5 points, the second 4 points, the third 3 points, the fourth 2 points and the fifth 1 point by each judge.

In case of having more than 1 class, the first to fifth placed horses of the resp. class are qualified for the Championship.

In case of having 1 class only, the class winner is automatically regarded as *Gold-Champion* and as *All Nations Cup winner* accordingly. The second placed horse is regarded as *Silver-Champion*, the third placed one receives the title *Bronze-Champion*.

Championships

Championships are not given according to the results achieved in the preceding classes. All Championships will be judged independently and comparatively.

The following Championships will be awarded:

Yearlings Championship fillies	(classes 1a and 1b)
Yearlings Championship colts	(classes 2a and 2b)
Junior Female Championship	(classes 3 and 5)
Junior Male Championship	(classes 4 and 6)
Senior Female Championship	(classes 7, 8 and 9)
Senior Male Championship	(classes 10, 11 and 12)
Championship Geldings (only more than 1 class)	(class 13)

All Champions (Goldmedalwinners) will be doping tested. In case the result is positive, costs have to be carried by the owner of the horse.

Methods and rules of judging Championships

Championships will be judged comparatively as follows:

The 1st to 3rd places horses of each class will qualify for the Championships.

Qualification in yearling classes:

1st to 4th places horses will qualify for the Championships.

The line-up of the championship-qualified horses will be arranged according to the instructions of the ringsteward.

Judges will examine all horses individually trotting, and then on standing. The judges must not confer.

The champion Gold medal winner, the Silver medal winner and the Bronze medal winner is selected from **all** horses by individual written votes from each judge. T

The judges will give 1, 2 or 4 points for the horses.

A horse nominated by a judge for Gold Medal will obtain	4 points
A horse nominated by a judge for Silver Medal will obtain	2 points
A horse nominated by a judge for Bronze Medal will obtain	1 point

Points given by the judges will be added. The horse with the highest points will be called Gold medal winner, the horse with the second highest points will be called Silver medal winner, the one with the third highest points will be called Bronze medal winner.

In the event of a tie, the horse that received the highest number of points in its class will be declared champion Gold medal winner. In the event of a further tie, the "Rules for Ties in Qualifying Places" will apply (see method of judging the classes).

Judges are not allowed to speak with each other.

In case one of the medal winners will be disqualified, the fourth-placed horse will be appointed to be Bronze medal winner. In case the 4th placed horse is not clear to see due to the judges notes, the judges will be asked to nominate a horse. This fourth placed champion will not be announced officially. In the event that two or more of the medal winner are disqualified, no further substitution will be made.

The votes of the judges in the Championships will be announced and will be published at the show office resp. on the Video wall in the arena hall.

A substitute for absent 1st to 3rd placed horses resp. in yearling classes 4th places horses by below placed horses is not possible.

All horses that qualify for their respective championships must take part in the championships.

Unless a certificate from the CD veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class but are not entitled to enter the championships.

Rules for Conduct of Shows

1. By participating at a show, show organisers, judges, exhibitors, owners and handlers agree that they will unconditionally submit themselves and the persons assisting and accompanying them to the "Rules for Conduct of Shows" and, as regards veterinary matters and drug misuse, to the relevant ECAHO Veterinary Regulations and ECAHO Rules for Medication Control. The accompanying persons include e.g. trainers or persons representing the show organizer as well as assistants of any of those persons. They will accept the jurisdiction of the Disciplinary Committee (DC), the Standing Disciplinary Committee (SDC) and the ECAHO Appeals Committee (EAC).

The person who has signed the entry form will be considered to be the person responsible for the horse in question. These Rules will be interpreted when necessary under the provisions of the laws of Switzerland.

Show organisers are not permitted to introduce rules which are in conflict with the ECAHO "Rules for Conduct of Shows".

2. Horses must be accompanied at the show by a horse passport containing all vaccination records. Those horses coming from a country that does not issue a passport, must be accompanied by an official Registration document which includes a graphic description and all vaccination records. If, when a horse attends a show, its passport is at the Registry for any reason, then a letter from the registrar attesting to this must be provided along with a photo-copy of the passport, including the description and the vaccination records.

The show organizer

3. The show organiser reserves the right to refuse an entry, but must give the reason for refusal in writing.

4. The show organizer will issue a printed show catalogue. The name of every horse must be printed in the show catalogue, as well as the names of sire and dam, (and maternal grandsire if possible), date of birth, colour, the names of the breeder and the owner. Should a horse's name not be mentioned in the catalogue, its participation at the show will be allowed only if the exhibitor cannot be blamed for the omission; it will be for the DC to decide.

The show catalogue shall furthermore contain:

- The names of all the Officials,
- The Rules for Conduct of Shows,
- The judging system used, the rules for ties and the rules for championships
- For Shows where prize money is awarded the total amount and distribution of the prize money.

5. No class may be split unless there are more than 10 horses entered. Combination of a class with the next age group of the same sex is permitted if the number of entries for the class is below three.
6. a) No announcement indicating the identity, breeding or past performance of exhibits, or the identity of their owners will be made during judging. It is, however, permissible for this information to be given out after the judges score sheets have been collected for each exhibit. b) Show organisers will not release details of competitors or their exhibits to the press at any time prior to the catalogue being put on sale at the showground. Catalogues will not be offered for sale, published or posted on internet more than one day before the commencement of the show.
7. a) No member of the show organising team may judge, or officiate as member of the Disciplinary Committee.
b) Any ECAHO official or member of his/her family who organizes an A or Title show cannot officiate at any other ECAHO A or Title show.

8. The show organizers will ensure a proper rotation of judges.

9. The show organiser will provide appropriate transport, accommodation and meals during the show, for the judges, DC members, ring master and any other ECAHO show officials. If a judge, DC member or ring master cancels the invitation after the travel arrangements have been made, he will pay all the costs arising out of this booking.
10. No gifts in the form of fees or money are allowed to be paid or given by the organiser, nor accepted by the judges, DC members and ring masters. Material gifts are allowed.

Judges, DC Members, Ringmasters and respective probationers, hereafter referred to as 'Official(s)'

11. Officials invited to officiate at ECAHO affiliated shows agree to do so with integrity and honesty and to carry out their duties solely with the objects of ECAHO and the welfare of the horses in mind.
12. a) Officials appointed at a show will not knowingly officiate in a class in which horses are entered concerning which there may be an actual or apparent conflict of interest. No official appointed at the show may exhibit, ride, drive or handle an entered horse or pursue any other activity not consistent with his duties at the show in which he is officiating.
- b) Exhibitors will declare on the entry form any actual or apparent conflict of interest with any of the officials invited for the show. Any exhibitor not declaring an existing conflict of interest, of which he is aware, will forfeit all entry fees and will be prevented from showing the horse.
- c) Organizers will not accept any entries for which any actual or apparent conflict of interest with one of the appointed officials has been indicated by the exhibitor, unless a reserve official is available.

13. a) An actual or apparent conflict of interest may occur if a horse is exhibited that:

- Is being trained or handled by a member of the official's family
- has been bought or sold by an official either as owner or agent
- has been bred or is owned in whole or part by the official or by a member of the official's family, or business partner in an Arab horse business venture
- has been leased by the official, at any time
- has been bred by or is the property of a breeding organization in which the official is or was an employee
- has been regularly trained, examined or treated by the official in a professional capacity
- is the subject of an on-going negotiation to buy or lease, or a provisional purchase condition to which the official is a party.

In case of doubt, the DC's decision will prevail

Any Official must decline to officiate if they consider themselves to have a conflict of interests concerning a horse, its' handler or its' owner(s).

- b) If, during the show a conflict of interests of which the exhibitor was un-aware becomes apparent, the following options are available:

- i) if the official with the conflict of interests is a judge or probationer judge, the judge or probationer judge will suspend his/her duties for the duration of the class and respective championship
a published reserve judge or another judge from the judges panel may be used for the class and respective championship

if the above mentioned (i) is not applicable and if no reserve judge is available or there are no more members of the judges panel, the total points in the class will be multiplied by the factor of planned number of judges divided by the actual number of judges, to calculate a comparable score in case of ties in championships

- ii) if the official with the conflict of interests is a DC member, this DC member is not allowed to issue any yellow or red cards for the duration of the class and respective championship, but may continue all other duties

- iii) if the official with the conflict of interests is a Ringmaster, this Ringmaster may be replaced for the duration of the conflict by:

- a reserve Ringmaster
- a member of the acting DC

All aspects concerning actual conflicts of interests and their consequences will be recorded in the DC report.

14. An actual or apparent conflict of interest may occur if a horse is judged that:
- is being trained or handled by a member of the judge's family
 - has been bought or sold by the judge either as owner or agent,
 - is owned in whole or part by the judge or by a member of the judge's family, or business partner in an Arab horse business venture,
 - has been leased by the judge, at any time
 - has been bred by the judge or is the property of a breeding organization in which the judge is or was an employee,
 - has been regularly trained, examined or treated by the judge in a professional capacity,

- Any judge may decline to judge any horse if they consider themselves to have a conflict of interests concerning that horse.
15. In the show ring, all communication between judges and handlers prior to the presentation of prizes will be through the ring master.
16. Judges may withhold any award if in their opinion the exhibit does not merit such an award.
17. The judge, or if more than one, the panel of judges may request that the ring master show a handler a yellow or red card if they consider that there is abuse to a horse or that there is misconduct.

Conduct of Halter Classes

18. All handlers at A and Title Shows must be in possession of a valid handlers permit which they must present to the DC in order to participate in the Show.

21. The judge(s) may request that the ringmaster ask a handler to open a horse's mouth or pick up its feet for inspection.

24. Stallions and colts aged three years and over may be shown wearing bridles and bits that are both secure and comfortable for the horse. All bridles without bits are equally to be both secure and comfortable for the horse. Any horse that is not under control will be removed from the show ring and disqualified.
25. a) Any horse becoming loose in the collecting ring is subject to a penalty (of a fine not exceeding 100 €) at the discretion of the DC.
b) Any horse becoming loose in the show ring will immediately continue to be shown and is subject to a penalty (of a fine not exceeding 100€) at the discretion of the DC. Should the horse become loose a second time it will be disqualified.
26. spare

Artificial methods of dilating the eyes or affecting the natural action of the horse or otherwise influencing its action or behaviour by oxygenating the bloodstream or by the use of weights or artificially weighted shoes, or by electrical or chemical treatment of any kind at any time before or during exhibition are forbidden.
Burns, cuts or other marks on the body of any exhibit in such places or positions as to indicate that prohibited methods have been used will be regarded as full and adequate grounds for exclusion of any exhibit from competition, at the discretion of the DC with veterinary advice.
31. a) In halter classes horses may be fully or partly body-clipped, subject to eyelashes being left uncut, hair inside the ears left unshaved and tactile hair left intact around the nose, muzzle and the eyes. Horses not fulfilling these criteria will not be allowed to participate. "Balding" is not encouraged.
b) No equipment intended to alter the natural appearance of the horse is permitted in the stables, including necksweats, neck collars, tailracks, hobbles or weights. Anyone using such equipment on the showground may be suspended by the DC for the period of the show.

Cruelty

33. Excessive whipping or shanking, excessive stimulation by noise, excessive circling of the horse, intimidation, use of electric shock devices and infliction of pain by any means are forbidden in all parts of the showground or stable areas, at all times.
34. The above actions will be sanctioned.

Enforcement

- 35. Verbal warnings:** DC members, ringmasters, stewards or show officials may issue verbal warnings. These are not recorded in the DC report.
- 36. Yellow and red cards** may be issued by DCs and Ringmaster in the collecting ring and the main ring. They are issued to a handler and are a visible and public indication of an offence having been committed. The date and offence will be recorded in the DC report and must be made public by announcement at the show and/or on the ECAHO website and/or other usual means of communication of ECAHO.
- 37. A yellow Card** may be issued if there is a further offence after a warning or it may be issued without such warning.
- 38. A red Card** will be issued if the handler receives a second yellow card for having committed a further handling offence during the same show. The offender will then be banned from handling any horses for the rest of the show in which he receives the red card. The horse being shown by a handler when he receives a red card may be shown by another handler at the end of the class. In the event of a serious offence involving mistreatment or dangerous behaviour, DCs may issue a red card without prior warning.
39. Any handler disobeying the instructions of any DC member, judge or the ringmaster will be sanctioned. Such sanction can be visibly and publicly indicated with yellow and red cards.

Veterinary Matters

40. Horses with apparent clinical signs of a disease may not participate at the show at the discretion of the DC Veterinarian. If the DC Veterinarian diagnoses apparent clinical signs of a contagious disease, the horse must be immediately put into quarantine and may not participate at the show.
41. Vaccination regulations for shows will require 12 months intervals normally, or shorter where local/national authorities mandate it. Such shorter intervals to be shown on the entry form (see Addendum – Equine Influenza Vaccination page 43).

42. All Veterinary treatment necessary at the show ground must be carried out according to ECAHO Veterinary regulations. The person responsible for the horse will ask the vet who treats the horse to complete a treatment form and present it to the DC-vet at the show. Any treatment given to a horse immediately prior to a show should be recorded on a treatment form by the treating vet and presented to the DC upon arrival at the show.
43. a) The administration of any substance not a normal nutrient (including irritants applied to the skin or mucous membranes or mydriatic drugs in the eyes), whether intentionally or unintentionally which may affect the performance, temperament or soundness of an exhibit is forbidden.
b) The DC may order chemical tests on any exhibit.
c) Judges may request the DC to test any horse. (See the section on "Medication Control" page 34).

Complaints

44. A show organiser, appointed judge, ring master, exhibitor, owner or handler of a horse entered at the show may lodge a complaint alleging infringement of the rules of the EAHSC, contained in the "Blue Book". Any complaint, except concerning a complaint about a judge or any other official including show organisers, is to be made in writing before the end of the show. A deposit of € 200,- or equivalent in local currency will be lodged with the DC and may be retained at the DCs discretion, if the complaint is considered frivolous. Such forfeiture belongs to ECAHO.
45. Any complaint about a judge or any other official including the show organisers is to be made in writing and signed by two individuals. Such complaint must contain any evidence and be sent to the ECAHO executive Secretary with full name and postal address of the complainant within 3 days of the show. A deposit of € 300 must be paid in accordance with the instructions and deadline given by the Executive Secretary. The investigation of the complaint will be conducted in accordance with the Rules for Disciplinary Committees, articles 19 et seq.
