The Concept of the Arabian Futurity Europe

The Arabian Futurity Europe Group - founded in 2004 -a initiative for Breeders of Arabian Horses in Europe. Founders and members of the Arabian Futurity Europe Group are James Swaenepoel (Belgium), Karl-Heinz Stöckle (Germany) and Gregor Aymar (Germany.
Goal of the concept is to give a new impulse to Arabian Horse Breeding and Arabian Horse Events in Europe. With an excellent selection of The World's highest quality Breeding Stallions, we create the opportunity to buy one of these breedings in an open Auction and automatically enlist to compete with the horse, born out of this breeding, in a Foal and Yearling Futurity competition. A Futurity competition with an interesting amount of prize money.
For Breeders and Stallion Owners...Our concept is an opportunity for both sides of Arabian Horse Breeding...

For Breeders and Stallion Owners...

Our concept is an opportunity for both sides of Arabian Horse Breeding...
The Breeder and the Stallion owner.

For the Breeder, we bring breedings of excellent quality together at one place. During the internet-based Auction, you can place your bid online (after registering on the website: www. arabian-futurity.com).

The highest bid for each Breeding wins not only the excellent breeding itself, but also a ticket for the Futurity Cup. Only Horses born in Europe - out of an auction breeding or any other offspring by the Arabian Futurity nominated stallions can compete for an honorable Championship with prize money for all Top 10 competitors (separately fillies and colts).

The Stallion Owner who enters a Breeding of a stallion into the auction is also competing. Our "Get of Sire Award" is not only an honorable award but also offers some interesting prize money. Apart from that, the Marketing Value of the Arabian Futurity Auction and Cup should not be underestimated. It offers European wide promotion of the stallions and a market with excellent opportunities.

Our host: All Nations Cup - Aachen / Germany ...

Host of the Arabian Futurity Cup Finals this year is again the well known Arabian Horse Event, the All Nations Cup. Located in the center of Europe, Aachen (Germany) is an excellent place and provides thrilling atmosphere for the finals of the Arabian Futurity Cup. We are very proud to have been invited by the organizers of the All Nations Cup, to conduct again the finals as part of this event. A attractive experience for competitors and visitors...

The 2017 Arabian Futurity Europe Judges Team

Championship - Open method:

There will be four Championship: Filly Foal Championship, Colt Foal Championship and Yearling Filly and Yearling Colts Championship. In the Foals, the "Top Five" of the qualifying classes will compete, Filly Foals and Colt Foals in two separate championships. In the Yearlings the same. If there are not enough entries, there will be an overall championship for Foals and Yearlings.

Again judged by 6 judges, each judge will pick by ranking his Gold Champion, Silver Champion, Bronze Champion, 4th & 5th place. Also here the total of all judges pick will give the final ranking of the Championship.
The Gold, Silver and Bronze medal winners and the Top Five (place 4 & 5) will be selected from amongst all the horses which have qualified in their respective classes for each championship.
The number of horses qualified from each class will be officially announced by the show organizer in the schedule and the show catalogue.

1. The Championships will be judged as follows:
a. All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers.
b. The horses will be judged individually, standing and trotting.
Each judge will nominate his choice for gold silver and bronze and the Top Five (place 4 & 5) together at the same time, from amongst all the horses qualified for the championship.

The horse with most points will be Gold.
In case a horse has the majority of Gold votes but not the most points - this horse will be Gold Champion.

Same system for Silver, Bronze and the Top Five.
The judges will not discuss the horses.

Rules for Ties in Qualifying Classes
In case of a tie, one judge will be drawn by lottery to make the final decission.

Rules for ties in Championships
In case of a tie, one judge will be drawn by lottery to make the final decission.

Conditions for Entry
Open to horses registered in any WAHO accepted studbook by the closing date of entries. No qualification requirements.
Only Horses born in Europe - out of an auction breeding or any other offspring by the Arabian Futurity nominated stallions can compete.

Documents
A photocopy of the vaccination certificate and the presently valid registration document (passport) and pedigree showing name of horse, sex and date of birth should accompany the entry for each exhibit so that errors in the catalogue and allocation of horses to classes are avoided. Where the year only is given for date of birth, horses will be deemed to have been born on 1st January. Passports for horses registered in Europe (or registration Certificate for horses from outside Europe) with graphic description to be presented at the show.

Foal Classes
In those shows where foal classes are held:
a) Foals may not compete in EAHSC Championships, nor will they qualify for any future Title or A Show.
b) When foal classes are organized at EAHSC affiliated shows, the EAHSC Rules will apply.
c) Foals must have a minimum age of four weeks at the date of the show, and must be shown at foot (with the dam) up to 6 months of age. Orphaned or rejected foals under six month may not be shown.
d) The use of metal halters and halters with metal chains is forbidden.
e) A comparative judging system is recommended.
f) All the rules pertaining to foal classes must be clearly indicated in the schedule and the catalogue.
g) With regards to stricter rules for the welfare of foals, organisers may introduce their own rules as long as these are presented to ECAHO for approval prior to sending out the schedule and are clearly stated in the show schedule and catalogue.
Foals - for identification purposes:
Foals under six months shown in foal classes with their own mother need no special documentation, but the mother must have all necessary documents. Foals over 6 months shown without their dam, foals from Embryo Transplant or foals with foster mothers which are shown in foal classes and do not yet have a passport, must be micro-chipped and in possession of a copy of the official Stud Book Registration form, showing the micro-chip number and the graphic description of the foal.

Rules for Conduct of Shows

1. By participating at a show, show organisers, judges, exhibitors, owners and handlers agree that they will unconditionally submit themselves and the persons assisting and accompanying them to the "Rules for Conduct of Shows" and, as regards veterinary matters and drug misuse, to the relevant ECAHO Veterinary Regulations and ECAHO Rules for Medication Control. The accompanying persons include e.g. trainers or persons representing the show organizer as well as assistants of any of those persons. They will accept the jurisdiction of the Disciplinary Committee (DC), the Standing Disciplinary Committee (SDC) and the ECAHO Appeals Committee (EAC).

The person who has signed the entry form will be considered to be the person responsible for the horse in question. These Rules will be interpreted when necessary under the provisions of the laws of Switzerland.

Show organisers are not permitted to introduce rules which are in conflict with the EAHSC "Rules for Conduct of Shows".

2. Horses must be accompanied at the show by a horse passport containing all vaccination records. Those horses coming from a country that does not issue a passport, must be accompanied by an official Registration document which includes a graphic description and all vaccination records. If, when a horse attends a show, it's passport is at the Registry for any reason, then a letter from the registrar attesting to this must be provided along with a photo-copy of the passport, including the description and the vaccination records.

The Blue Book 2018 and ECAHO rules and regulations are fully applicable.
